HERE'S WHAT TO SEE AT NYCXDESIGN 2026, ACCORDING TO OUR EDITORS

(Image credit: Gregory Wikstrom, courtesy of Afternoon Light)

New York Design Week is a multi-borough affair, making it tricky to decide what might be worth a look. To make your life easier, we've identified some of the top things to do and see during New York Design Week. Here's what's on our radar, from fairs to showroom open-houses to museum exhibitions.

'The Espasso Apartment': Office of Tangible Space and VERSO come together

Office of Tangible Space and VERSO present an exploration of the enduring nature of creative influence. The exhibition pairs work by contemporary designers with historic design pieces to reflect on the continuity of ideas across time and propose that innovation is never created in isolation, but shaped by precedent, process, and lived experience.
