

## Grude Lounge Armchair

by Fernando Mendes, 2011

**Reference:** #00001797

A more recent design by Fernando Mendes, the Grude armchair fuses artisanal and contemporary carpentry techniques, resulting in an ultra-comfortable, statement armchair. With its name translating to 'glued to someone,' Mendes fittingly presents a snug loveseat. Its name also refers to the numerous strips of laminated wood that comprise the design of the chair.

- Base structure made of laminated wood
- Upholstery offered in four leather options
- Made to order
