

Stand By Coat Hanger

by Claudia Moreira Salles, 2016

Reference: #00002042

The versatile Stand By coat hanger by Claudia Moreira Salles is an alternative to most recurrent coat rack forms. The piece consists of a solid wood board • on which wooden hooks are asymmetrically attached, and opened easily by tapping their lower ends • and a concrete base, which provides stability. The hand•spun wooden bowl fixed to the top edge of the concrete base, for holding keys and knick•knacks, is an added touch.
