

Modulo Coffee Table

by Oscar Niemeyer, 1978

Reference: #00002156

The abstractness of the Modulo coffee table makes it particularly interesting, furthermore the piece reflects the style carried by Oscar Niemeyer's famous architecture. Niemeyer designed it along side his daughter, Anna Maria Niemeyer, in 1978.

Embedded seal certifying authenticity by the Fundação Oscar Niemeyer.

- Base structure made of lacquered wood
- Reissued by Etel
- Made to order
