

## Modulo Coffee Table

by Oscar Niemeyer, 1978

**Reference:** #00002156

Oscar Niemeyer designed the "Modulo" coffee table along with his daughter Anna Maria Niemeyer in 1978. The piece is a great example of Niemeyer's exquisite curves made famous by his influential modern architecture.

Embedded seal certifying its authenticity by the Fundação Oscar Niemeyer and part of Etel collection.

- Base structure made of lacquered wood
- Made to order
