

Marajó Stool

by Carlos Motta, 2019

The Marajó stool is handmade by Riberinhos whose home is the Amazon, in Muiracatiara wood, certified by the FSC. It is available in three sizes, charming as a complementary set, or individually. These pieces are part of the Attom collection by Carlos Motta and his son, Diego Motta: utilitarian designs for the everyday created with sustainable materials and with responsible production choices.

- Made in Muiracatiara wood, certified by the FSC
- Part of the Attom collection
- Available in 3 sizes
