# **Amorfa Jumbo 2 Dining Table**

by Arthur Casas

Part of Arthur Casas' Amorfa collection, a name that signifies the absence of a defined form, the Amorfa Jumbo 2 dining table is both visually striking and highly functional. Designed to accommodate large gatherings, it reimagines the traditional round table through an organic shape that naturally encourages conversation and connection among those seated around it.

- · Base made of stainless steel
- · Top available in a variety of woods
