

Asa Stool

by Carlos Motta, 2019

Reference: #00002243

This piece is part of the Attom collection by Carlos Motta and his son, Diego Motta: utilitarian designs for the everyday created with sustainable materials and with responsible production choices. 'Asa' translated from Portuguese means 'wing'; easily transportable, the Asa stool is a simple, thoughtfully designed piece.

- Made in peroba rosa wood
- Part of the Attom collection
