

Lótus Bowl

by Carlos Motta, 2019

The Lotus bowl and plate are handmade by Riberinhos whose home is the Amazon, in resistant Muiracatiara wood, certified by the FSC. These pieces are part of the Attom collection by Carlos Motta and his son, Diego Motta: utilitarian designs for the everyday created with sustainable materials and with responsible production choices.

- Made in Muiracatiara wood, certified by the FSC
- Part of the Attom collection
