

Tonico Sofa

by Sergio Rodrigues, 1963

Playful and comfortable, the signature element of this iconic Sergio Rodrigues mid-century design is the head roll above the sofa's upholstered back and seat. The 'Tonico' is a derivation of the Tonico armchair, both pieces are named after the designer's brother-in-law; as Rodrigues explained "he sat in the chair and said: I do not want anything else, just this here."
