

Lenço Coffee Table

by Jorge Zalszupin, 1959

Reference: #00002292

Inspired by origami, the Japanese paper-folding art, the Lenço coffee table, references a handkerchief (its Portuguese translation) in a still form, delicately folding to create legs that, while asymmetrical, evoke an air of equilibrium. This simple and elegant design is an easy fit for any modern interior.

- Base structure made of stained or natural American walnut, or Pau Ferro wood
