

Ouro Preto Armchair

by Jorge Zalszupin, 1959

The Ouro Preto armchair is constructed with a wooden frame, with its back and seat composed of a single, suspended leather piece. Leather straps, threaded through the frame, provide a distinctive design element while adding support for the seat. Stitching in the leather adds a subtle texture to the piece.

- Available in a variety of wood types
- Available in variety of leather and suedes
- Reissued by Etel
- Made to order
