

Mantas Soltas Armchair

by Joaquim Tenreiro, 1960

The Mantas Soltas collection, which translates to 'loose blankets,' utilizes lathe-turned wood to meticulously compose a frame for an enveloped upholstery. The result appears to be blankets folded over a simple wood structure, when in fact it is a single piece of furniture. This technique allows for the comfortable, sophisticated, and innovative character of the seating.

- Upholstery offered in a variety of fabrics, leather and COM/COL
- Reissued by Etel
- Made to order
