

Zumbi Coffee Table

by Arthur Casas, 2006

Reference: #00000265

Made of American Black Walnut and wrought steel, the "Zumbi" coffee table is a savvy update on colonial utilitarian farm furniture. With simple and geometric lines, a nod to mid-century modern design, in contrast with the warmth of the wood and artisanal touches, results in an unpretentious, yet distinguished piece, appropriate for a number of different ambiances and uses.

Handmade in the USA.
