

1960s Armchair

by Percival Lafer, 1960

Reference: #00000753

Dating back to 1967, this vintage Lounge Armchair has a solid Jacarandá wood structure and upholstered body. On the Lounge Chair's right side, a joystick-like solid Jacarandá knob controls the inclination of the seat. A fresh reupholstery in beige suede situates this piece back in its original place in time of modernist homes and offices of the late 1960's.
