

Cosme Velho Lounge Armchair

by Claudia Moreira Salles, 2003

The elegant Cosme Velho armchair presents a wooden structure made of native Brazilian woods, with caning along its back and arms. This armchair exercises simple geometric design by imitating the shape of a cube and orthogonally plotting the caning, juxtaposing its upholstered back, and resulting in a unique design.

- Base structure available in freijó, imbuia, or cedar wood
- Upholstery available in a variety of fabrics, leather, COM/COL
- Natural cane armrest and backrest
- Part of the Etel Collection
- Made to order
