Percival Lafer

The company Lafer is today one of the most traditional furniture companies in Brazil. Since its very beginning, a strong image started to be forged by his tenacious will and commitment for quality and excellent customer service. An image which is still cultivated today, to the extreme.

In 1961, already in its second generation, the company entered into furniture manufacturing. Creativity and technological innovation stood behind the series of remarkable products launched during this period, which caused great impact on the marketplace, for its advanced designs and affordable prices.
