ESPASSO

Sling Lounge Chair

by Unattributed

The Sling Lounge Chair features a hammock-like seating structure supported by a solid wood frame. The diagonal lines in the structure juxtapose the naturally-occurring curves created by the leather sling seat.

ESPASSO

Unattributed

Amongst ESPASSO’s collection there are pieces that are unsigned or not attributed to any specific designer. These pieces were carefully selected to form part of ESPASSO's diverse collection, embodying the elegance and sophistication of mid-century furniture in attitude, material and scale. Through their use of woods like the robust jacaranda or cabreuva and by way of great craftsmanship, they are quintessential icons of Brazilian taste and lifestyle.
