Woodstick Coffee Table

by Percival Lafer, 1970

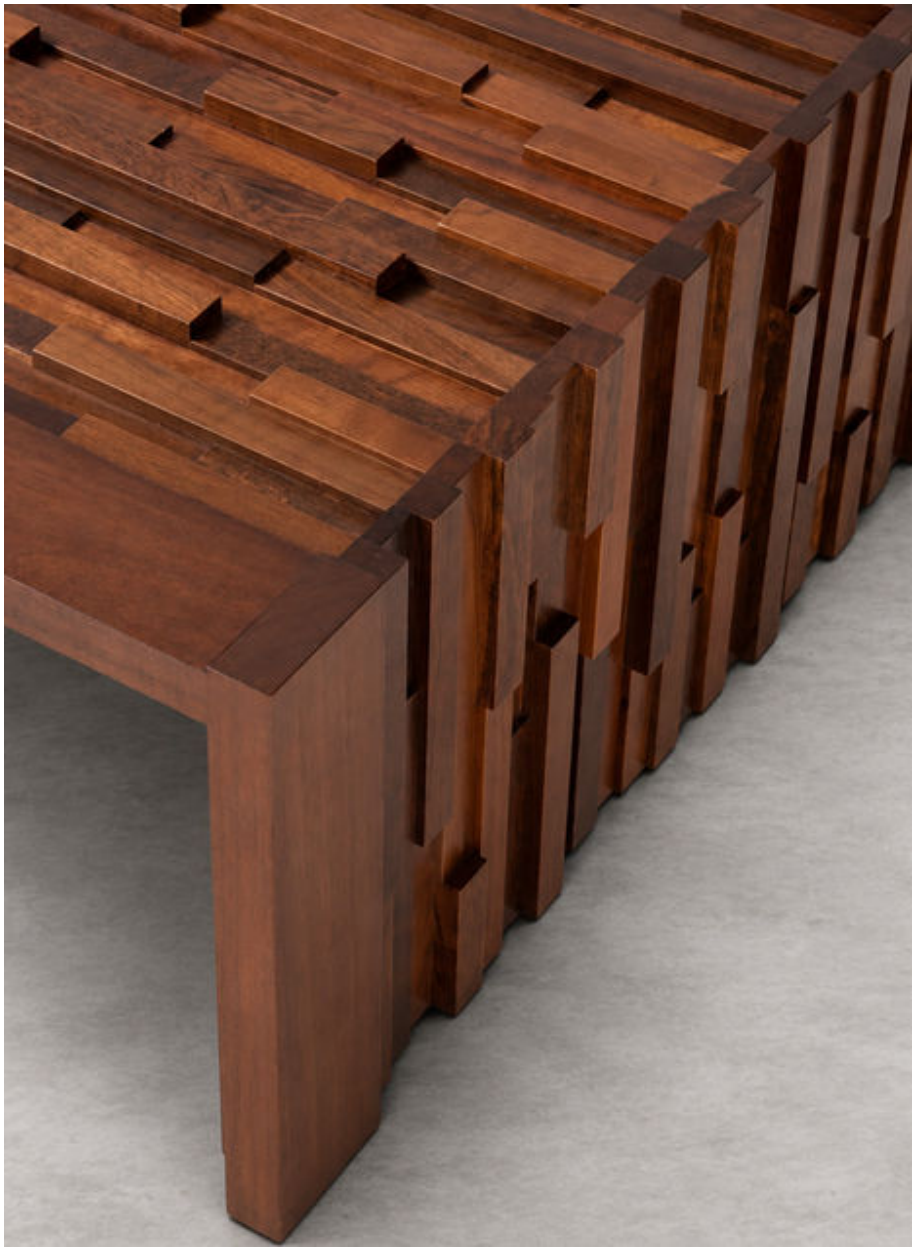

Criada com a ETEL para os 90 anos de Percival Lafer, a mesa retoma os painéis woodstick que ele desenvolveu nos anos 1970, compostos por fragmentos de madeira em arranjos geométricos. Created with ETEL for Percival Lafer's 90th birthday, the table revisits the woodstick panels he developed in the 1970s, which arrange wood fragments into geometric compositions. Commemorative edition for Percival Lafer's 90th birthday, created by the designer in partnership with ETEL. ©ETEL 2026

Percival Lafer

The company Lafer is today one of the most traditional furniture companies in Brazil. Since its very beginning, a strong image started to be forged by his tenacious will and commitment for quality and excellent customer service. An image which is still cultivated today, to the extreme.

In 1961, already in its second generation, the company entered into furniture manufacturing. Creativity and technological innovation stood behind the series of remarkable products launched during this period, which caused great impact on the marketplace, for its advanced designs and affordable prices.
